CCR2a-specific Polyclonal antibody

Catalog Number:16153-1-AP

Featured Product

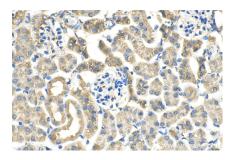

16 Publications

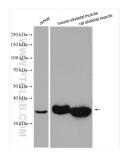

Basic Information	Catalog Number: 16153-1-AP	GenBank Accession Number: NM_000647		Purification Method: Antigen affinity purification	
	Size:	GeneID (NCBI):		Recommended Dilutions: WB 1:1000-1:4000 IHC 1:50-1:500	
	600 μ g/ml 729230 Source: UNIPROT ID: Rabbit P41597				
			D:		
	Isotype:Full Name:IgGchemokine (C-C motif) receptor				
	Calculated MW: 42 kDa		I MW:		
	Observed MW: 35 kDa		MW:		
Applications	Tested Applications:	•			
	FC, IHC, WB, ELISA		WB: Jurkat	WB : Jurkat cells, mouse skeletal muscle tissue, rat	
	Cited Applications: WB, IF, IHC		skeletal mi		
	IHC : mouse kid			e kidney tissue, human kidney tissue, ny tumor tissue	
	human ovary tumor tissue				
	Cited Species: human, rat, mouse				
	Note-IHC: suggested antigen retrieval with TE buffer pH 9.0; (*) Alternatively, antigen retrieval may be performed with citrate buffer pH 6.0				
Background Information	buffer pH 6.0 CCR2 encodes a receptor finvasion of artery walls in expressed by different cel some mononuclear cells, e observed in all satellite ce of IIM, but not in inflamma	a atherosclerosis. There l subsets in both norma especially in cells invo ells, in the muscular do atory exudates. The sec	are two isoforms of CCF Il and IIM muscle. CCR2/ lved in partial invasion main of neuromuscular juences of the two isofor	a was expressed in vessel walls and by in PM and IBM. CCR2B expression was	
	buffer pH 6.0 CCR2 encodes a receptor finvasion of artery walls in expressed by different cel some mononuclear cells, e observed in all satellite ce of IIM, but not in inflamma antibody 16153-1-AP is ra	a atherosclerosis. There I subsets in both norma especially in cells invo ells, in the muscular do atory exudates. The sec ised against the peptid	are two isoforms of CCF I and IIM muscle. CCR2/ Ived in partial invasion main of neuromuscular juences of the two isofor le of 344-358 amino acid	2, CCR2A and CCR2B. CCR2 isoforms we a was expressed in vessel walls and by in PM and IBM. CCR2B expression was unctions, and in some regenerative fibe ms are different from 314-374 aa. This is of CCR2a. It is specific to CCR2a.

Background Information	buffer pH 6.0 CCR2 encodes a receptor f invasion of artery walls in expressed by different cel some mononuclear cells, e observed in all satellite ce of IIM, but not in inflamma antibody 16153-1-AP is ra	a atherosclerosis. There I subsets in both norma especially in cells invo ells, in the muscular do atory exudates. The sec ised against the peptid Pubmed ID 31541326	are two isoforms of CCF I and IIM muscle. CCR2/ lved in partial invasion main of neuromuscular juences of the two isofoi le of 344-358 amino acid Journal	2, CCR2A and CCR2B. CCR2 isoforms we was expressed in vessel walls and by in PM and IBM. CCR2B expression was unctions, and in some regenerative fibe ms are different from 314-374 aa. This is of CCR2a. It is specific to CCR2a. Application IHC	

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

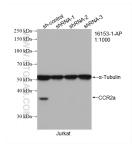

Selected Validation Data

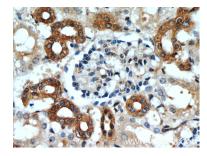

Immunohistochemical analysis of paraffinembedded mouse kidney tissue slide using 16153-1-AP (CCR2a-specific antibody) at dilution of 1:200 (under 40x lens). Heat mediated antigen retrieval with Tris-EDTA buffer (pH 9.0).

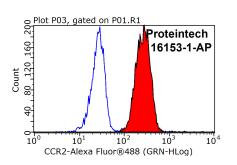

Various lysates were subjected to SDS PAGE followed by western blot with 16153-1-AP (CCR2a-specific antibody) at dilution of 1:2000 incubated at room temperature for 1.5 hours.

WB result of CCR2a-specific antibody (16153-1-AP; 1:1000; incubated at room temperature for 1.5 hours) with sh-Control and sh-CCR2a-specific transfected Jurkat cells.

Immunohistochemical analysis of paraffinembedded human kidney slide using 16153-1-AP (CCR2-specific antibody at dilution of 1:50.

1X10^6 Jurkat cells were stained with 0.2ug CCR2specific antibody (16153-1-AP, red) and control antibody (blue). Fixed with 90% MeOH blocked with 3% BSA (30 min). Alexa Fluor 488-conjugated AffiniPure Goat Anti-Rabbit IgG(H+L) with dilution 1:1000.
