产品信息

Catalog Number:
CM19227

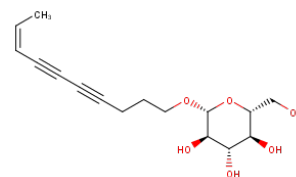

分子量:
310.34

CAS号:
700877-55-0

分子式:
C₁₆H₂₂O₆

主要靶点:
Others

主要通路:
其他

描述

Bidenoside C is a flavonoid found in brazilian propolis, the first of its kind to be isolated from a herb of the genus Leech, and has anti-proliferative activity against cancer cells.

储存

Powder: -20°C for 3 years | In solvent: -80°C for 2 years
